

## Directions from Warroad, MN

From Hwy 11, turn right/North onto Hwy 313

Drive approx. 7 miles to Canadian Customs (You will pass US Customs on your left, but you do not have to stop unless instructed to do so by signs or an officer).

After clearing Customs, continue on 313 (now Manitoba Hwy 12 N)

Drive about 13 miles.

Turn right onto 308 N in Sprague (Esso gas station will be on your left).

Stay on 308. (There will be about 20 miles of paved roads then they will be gravel).

Turn right onto 525 (about 4 miles after the road turns to gravel).

Stay on 525 until you reach Jim's Corner. (It will be about 20-25 minutes.)

At Jim's Corner, pick up the reporting phone, press the US flag, and say "I'm reporting my arrival in the US from Jim's Corner, NW Angle" (or something like that). The officer will ask you some or all of the following: your name; birth date; license plate number; make, year, and model of your vehicle; if you have alcohol, weapons, etc., and what type of identification you have (passport, passport card, etc.)

After reporting at Jim's Corner, turn left/east onto Dawson Road.

Stay on Dawson Road until you see our resort. The road will make a sharp turn to the left, then Young's Bay Drive will be on your right, then an electrical substation on the left, then you will see a small black and gold sign that says "Angle Outpost," then a winding driveway through trees, then you're here!

Check in at the lodge, which is the big, ark-like building with an open sign in the window.
